

I am writing to inform you that K-LOVE in Denver on frequency 91.1 is a part of my daily routine. K-LOVE provides a wonderful music selection in addition to notifying me of important Christian events in the Denver area. K-LOVE provides a service in Denver that no other radio station does. If K-LOVE were to be displaced by an LPFM broadcaster a large part of our community would be devastated. Our community tunes in to listen to K-LOVE to stay current in Christian happenings in our area. I'm afraid that with K-LOVE being forced off the air in Denver major national ministry events would not have the turnout that they are used to. The fact is K-LOVE reaches a large number of people in our community and without it we would be lost.
